

Phi Upsilon Omicron® Candle Society

By Diane Smathers, Iota

Past National President and Past Phi Upsilon Omicron Educational Foundation Board Member

Kee the flame burning for generations to come! What better way to support Phi U, and recall your fond memories, than to establish a legacy gift. Any donor can make a legacy gift --regardless of current assets or income.

Phi Upsilon Omicron Educational Foundation is pleased to announce the establishment of the Candle Society for such gifts. Members who choose to remember Phi U in their will, or other planned gift, will become members of this Society and leave a true legacy of their Phi U experience.

You may designate how your gift will be used such as for a fellowship, scholarship, or award (guidelines apply) or in any other manner you choose. As a member of the Candle Society, you will receive a pin, be recognized at Conclave, and acknowledged in *The Candle* as well as on the Phi U web site.

But perhaps more importantly, you will support a cause and honor something about which you are passionate. You will be giving "forward" and ensuring that future FCS students enjoy the same experiences you had. Your gift will be a living reminder of your contributions to FCS and to the circle of friendship in Phi U.

Lastly, legacy gifts offer the opportunity to build charitable purposes into an overall financial or estate plan. In other words, they just make good financial sense.

To join the Candle Society, receive a brochure or just to seek additional information, please contact the Phi Upsilon Omicron National Office. ■
